

## *The Temple is a House of God*

**“My young friends..., always have the temple in your sights. Do nothing which will keep you from entering its doors and partaking of the sacred and eternal blessings there.”**

“To you parents of young children, may I share with you some sage advice from President Spencer W. Kimball. Said he: “It would be a fine thing if ... parents would have in every bedroom in their house a picture of the temple so [their children] from the time [they are] infant[s] could look at the picture every day [until] it becomes a part of [their lives]. When [they reach] the age that [they need] to make [the] very important decision [concerning going to the temple], it will have already been made.”

President Thomas S. Monson,  
April General Conference, 2011

***I love to see the temple.***

***I'll go inside someday.***

***I'll promise to obey.***
