

The Spirit of Revelation

Elder David A. Bednar, April 2011 General Conference

“Revelation is communication from God to His children on the earth and one of the great blessings associated with the gift and constant companionship of the Holy Ghost.”

“Sincere desire and worthiness invite the spirit of revelation into our lives.”

“A light turned on in a dark room is like receiving a message from God quickly, completely, and all at once.”

“The gradual increase of light radiating from the rising sun is like receiving a message from God “line upon line, precept upon precept” ([2 Nephi 28:30](#)). Most frequently, revelation comes in small increments over time and is granted according to our desire, worthiness, and preparation.”
